LETTER FROM DANVILLE. Henry L. Godsey Writes From Center College.

DANVILLE, May 13 .- Editor of THE HERALD: Permit me through the medium Sterling, where they have been with stock of THE HERALD to say a few words to my many friends and relatives. The recent numbers of THE HERALD have not only been of unusual interest to the people of our own section, but also have they been especially interesting to capitalists in different parts of the United States, who have heretofore been almost entirely ignorant of the vast resources of Eastern Kentucky, and of the many inducements offered, both by the aid of our citizens and by the works of nature, which have so extensively bedded our soil with such vast and inexhaustible quantities of coal of all descriptions, this too, not surpassed in quality (with but few or no exceptions) by that of any section in the world. In addition to this are the fine forests of ling. trees which tower above it in vast numbers. Besides these are many other things. And cently received a handsome pair of boots now I am glad to know that through the through the citizens of this place and the faithfulness and earnestness of THE HERALD firm of R. Commins & Son. Several citizens and other papers these facts are no longer lodged in jail here last Saturday. bought the leather and the above firm made | imaginary dreams, as Ponce De Leon,s fountain of youth, but are becoming universally lar is very grateful, and we thank those inin the near future have railroads reaching their variouss persuasive arguments into across our territory, manufacturing establishments, extensive oil works, &c. All these developments will be of vast
